NO WORK NO RENT

Questions about Rent Strike?

According to Governor Doug Ducey's Executive Order 2020-14, no tenant can be evicted for 120 days given they have provided documentation regarding the circumstantial impacts of COVID-19. Flagstaff Rent Strike understands that this order is not enough! Interested in resources and support, rent strike tool kits, and/or executive order 2020-14? Please email or visit the Instagram below. We are not lawyers, we are simply here to distribute aid, collectivize a movement, and care for one another as our local, state, and federal government continue to neglect our reality.
